for a better tomorrow

What is Argenta Icefest?

In 2017, Argenta in Motion (A.I.M.) held the 1st Annual Argenta IceFest featuring live carving demonstrations and over 25 ice sculptures placed throughout Prairie Park and downtown Argenta.

Since 2017, the Argenta IceFest has added nearly double the amount of sculptures and many other family-friendly activities. All sculptures are carved by Argenta native, Olympic Gold Medalist Ice Carver, Aaric Kendall and other talented artists.

In 2026, there will be live carving demonstrations, drive-thru carving displays, games for kids, 50/50 drawing and more.

Sponsorships Available

Sponsors are needed for this event. Your contribution will go towards creating the ice carvings, games, and more.

If you would like to sponsor this event and the many ice sculptures that will be on display, please complete the form to the right and return it to the Argenta Village Hall. You can also submit a sponsorship online at www.argentafest.org.

Argenta In Motion relies on the generous support of businesses and individuals in central Illinois to make this festival happen. Please consider a sponsorship for 2026. A.I.M. is a 501(c)3 organization.

All sponsors will be recognized on signage at the 2024 IceFest

Argenta in Motion (A.I.M.) is a community-supported, long-range planning initiative started in 2015 by Mayor Cindy Luedke. The group has several volunteers who are guided by the Illinois Institute of Rural Affairs MAPPING the Future for Your Community Program. A.I.M. is working to ensure that the future is bright for the village and residents of Argenta. If you would like to volunteer, contact us!
